Thanks, Ex. 6 Personal Privacy (PP) This is great.

Ex. 6 Personal Privacy (PP) are you okay if we share this with at today' OPPT biweekly? It will help us manage the conversation about resources/priorities.

Hi [Ex. 6 Personal Privacy (PP)]

The updated DRM list attached separates out the exemptions onto tab 2 (there are 36 DRMs for LVEs) and unhid the column with the original request date. For more info. on each case, see the hidden columns C through I. [Ex. 6 Personal Privacy (PP)]

RMB,

Checking on this DRM list. Per [Ex. 6 Personal Privacy (PP)] request below, she is requesting this list be broken out between L and P cases. Also, please add the date to when the DRMs were submitted to RAB. A few of the hair on fire cases that have been elevated to me/OPPT/OCSPP lately involve DRMs that are almost 2 years old. We'll need to propose a way to manage all these DRMs going forward, including increasing communication/status updates between RMB and RAB to help triage these request based on priority and/or level of effort to close them out.

Both [Ex. 6 Personal Privacy (PP)]/Lynn have asked me recently about this list, so I plan to add this to our biweekly agenda today to discuss matters with [Ex. 6 Personal Privacy (PP)]

Thanks [Ex. 6 Personal Privacy (PP)] The DRMs have a combination of work for L and P cases. The L work is be deprioritized. It would be helpful to break these DRMs by case type. Please let me know if you want me to reach out to [Ex. 6 Personal Privacy (PP)] and [Ex. 6 Personal Privacy (PP)] to add this breakdown.

Lynn and [REDACTED] requested that we identify how many DRMs are pending. RMB conducted this query and found there is a total of 160 (see attach list).

To help with prioritization, I've asked RMB to bin the DRMs into categories such active case (before determination) v. remove regulatory condition (after determination), and to help gage the LOE, whether the DRM includes actual studies/test data for review or some additional data points to consider.

We will need to come up with a plan for how RAB will manage/triage this workload, and if we need to carve out some contract funds to do this work (if we are limited in staff). [REDACTED] would like to be briefed on this before we go to Lynn but this will need to be soon since both have asked to see this list.
